CITY CLERK  
SALEM, MASS.

I, Brendan Peltier, would like to write to inform the elections department in the City of Salem, MA, that I no longer have any finances to report regarding my At-Large City Council Election. I used a service called "actblue" and I have confirmed with them that all the finances and the campaign have been terminated. Please let me know if there is any further information needed.

Thank you very much! Have a great day!
