

ADDENDUM #3
INVITATION FOR BIDS 17-01
FIRE STATION ABATEMENT
AUGUST 24, 2016

Clarification:

Line 1-3 of Part 3. Specifications state, “Contractor shall furnish all equipment, labor, material and services necessary to perform the lawful removal and disposal of approximately 3,305 square feet of asbestos contaminated material from the second floor of the Swampscott Fire Station, 76 Burrill Street, Swampscott, MA 01907.”

This is intended to include the removal of mastic.
