

ADDENDUM #3
R-55
RENOVATION OF DRIVER AND PATTEN PARKS
MARCH 11, 2016

Driver Park

1. **What is the size of the tree to be replaced?**
3" diameter.
2. **What size flowers and shrubs?**
Flowers-1 gallon
Shrubs-3 gallon
3. **How tall is the trellis? And how should it be anchored?**
6-8 ft.
4. **What is meant by "pruning"?**
Clean up, remove water sprouts and clip out dead wood.

Patten Park

1. **What is height of the shrubs?**
5 feet minimum and/or consistent with existing shrubs.
2. **What are the dimensions of the edging?**
The edging on the dust path, which is to be replaced, must be 3/8 inches thick, by 5 inches deep. It should be black in color.

The edging around the back side will be replaced as part of this contract.
