

**ADDENDUM #1**  
**R-67**  
**WINTER ISLAND GANGWAY FLOAT**  
**MAY 16, 2016**

**1. The specifications state a 12" pile is to be repaired by removing it and resetting it.**

We will be reusing an existing 12" piling that was installed three years ago.

**2. The specifications state that the City is responsible for the installation of the float.**

The float is to be delivered in the water. It will be the contractor's responsibility to complete this task including if it has to be unloaded and/or launched.

**3. Will the City require shop drawings for the float?**

Shop drawings shall be submitted.

**4. The specifications state that the project has to be complete within 45 days from the notice to proceed. Can the time for performance be extended?**

At this time, the City does not intend to extend the date of completion, however if circumstances warrant, as the project proceeds, it is possible.

**5. What is the cost of the liquidated damages if any?**

Liquidated damages for each calendar day shall be \$100.00 per day.
